ABOUT THE SKC FOUNDATION

At SKC, our community matters to us and giving back is important to everyone on our team. The SKC Foundation is our non-profit and philanthropic initiative.

Team members donate their time to a variety of causes in the name of supporting those in need. Fundraising events allow us to make contributions to many charitable organizations. We truly believe in the power of being "stronger together" – whether it is supporting our keystone initiative, The Luke Warbeck Scholarship Fund, or making donations to community, state and national charitable causes.
